MS Frontier Re Ltd, Bermuda is pleased to announce that it is expanding its business lines to include Personal Accident Catastrophe XL in North America and European/Australian Terrorist Pools for 2011.

MS Frontier currently writes Worldwide Property Catastrophe and North American Risk XL.

Commenting on this new development Masataka Kitagawa, President and CEO said: ‘This move into new lines of complimentary classes of business will further diversify the reinsurance products offered by MS Frontier and its main subsidiary MSRe. Our initial plan is modest in these two new areas but we will look to expand over the coming years.’

MSFRe is a Bermudian based reinsurer with a branch in Switzerland and subsidiaries in Ireland, Singapore and Malaysia.

MSFRe is a wholly owned subsidiary of Mitsui Sumitomo Insurance Company, Limited, Japan and ultimately MS&AD Holdings, one of the largest non life insurance groups in the world.
